Shared Time of Ministry in PA, NY, and Ohio

The Mullins in Warren PA

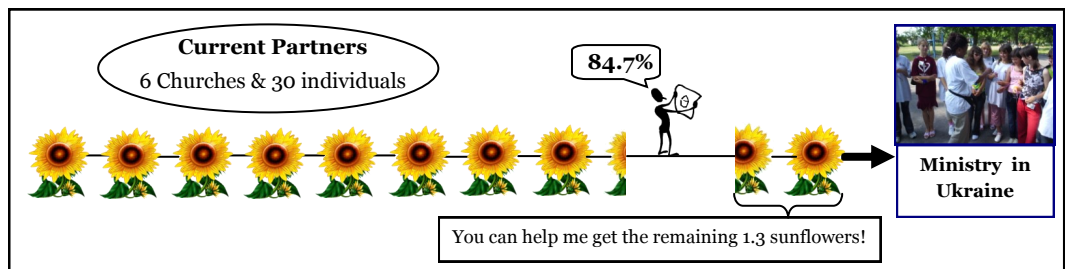

Mary Kay, Tania and Ms. Kay in Lake-

Each home that welcomed me in warmed my heart. Each family I stayed with made me feel at home. From the Mullins, to the Cooks, to Ms. Kay, to the

Mooney's, to the Heaton's, I cannot express the hospitality extended to me. Over the past two weeks, God moved in an incredible way on my behalf! Each meeting was ordained by God. As I shared God's vision for Ukraine, it fueled my pas-

sion. There were a number of churches that had missions committee meetings already scheduled the day after I was presenting to that church. On my journey to the 10 churches throughout PA, NY and Ohio, I was able to partake with other believers in the greatest privilege we have in ministry together, prayer. Each encounter confirmed that this is where God wants me to be.

The Urgency of Getting to Ukraine

The threat of Ukraine returning to a communist reign is ever present in the hearts and minds of Ukrainians. As you have witnessed in August 2008 when Russia invaded Georgia, this is a valid concern for Ukraine. The believers in Ukraine have expressed to the American short term missionaries that we, the believers, have to do the work of the Lord because we don't know how long we will be able to continue this work. For this reason, it is urgent that long term missionaries build upon the work of the short term teams and equip many more Ukrainians to be strong disciples who are replicating themselves by creating new followers of Christ in Ukraine.
